Dear N.A.P.E Association:

I would like to thank the National Association of Power Engineers for awarding me the Art Wilshire State Scholarship this 2017-2018 academic school year. This award is an honor and I appreciate your support in helping me further my higher education. Thank you again for this opportunity to apply for the N.A.P.E State Scholarship. I am grateful to have been an award recipient these past four years.

Sincerely,
